

# BP 860CE

# SPARKY

## HD PROFESSIONAL

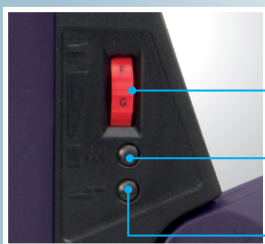

## Rotary Hammer SDS-max - 8 kg

### Comes complete with:

Plastic case, Auxiliary handle, Depth gauge, Tube of grease, Cloth.

### HEAVYDUTY

Electronic speed pre-selection  
Constant electronics with soft start  
LED overload indicator and 8 Hour  
brush wear out indicator  
Power on LED indicator

## Technical Data

| Model:   | BP 860CE                    |
|--|-----------------------------|
| Power input:                                       | 1400 W                      |
| Drilling capacity in concrete:                     | 52 mm                       |
| Core cutter capacity in concrete:                  | 140 mm                      |
| No load rpm:                                       | 120–250 min <sup>-1</sup>   |
| No load rpm in "High Power":                       | 280 min <sup>-1</sup>       |
| No load impact rate:                               | 1170–2435 min <sup>-1</sup> |
| Impact rate in "High Power":                       | 2800 min <sup>-1</sup>      |
| Impact energy (EPTA procedure 05):                 | 10 J                        |
| Impact energy in "High Power" (EPTA procedure 05): | 12 J                        |
| Max. torque:                                       | 140 Nm                      |
| Weight:  | 8.0 kg                      |
